Important Notice (e.g. allergies): _____

I Hereby declare my agreement that my child is allowed to take part in all open activities at M*UFO5 Children's Club following current rules. My Child is allowed to move freely in Möckernkiez, in the Park and the close neighbourhood without supervision of a M*UFO5 employee. It's also allowed that the children go to buy things on their own. Therefore I talked about the traffic rules with my child.

My child normally tests themselves in school three times a week. If not, it's possible that the children test themselves in M*UFO5 under supervision of an employee.

In case of a **positive test**, signs of illness, violation against the protection rules or **violation** of general M*UFO5-rules, employees of M*UFO5 have the right to send my child home. I have carefully read this letter of agreement and talked it through with my child. I also told them they have to follow the instructions of the employees.

For potential **damage** done by my child I am liable as legal representation.

M*UFO5 Children's Club is allowed to **take photos** of my Child during activities in M*UFO5, that can be used for

- **internal purposes** (such as mashups or posters) Yes No
- **public relations** (e.g. Instagram, NHU e.V., website) Yes No
